----------	------------	--

Models, Inc., a booking agency for exotic dancers, and

Danny R. Watson, president of the company, seek restoration of approximately 70 telephone lines following disconnection by Pacific Bell at the direction of the Superior Court for the County of Los Angeles. We find that probable cause has been established to support the termination of the telephone service. However, we further find as the result of hearing that interim relief is appropriate. Therefore, we direct restoration of service pending further legal action, if any, against the complainants.
